

OMHA (Oceanside Manufactured Homeowners Alliance, Inc.)

MEMBERSHIP APPLICATION

OMHA's vision is to unite, educate, inform and support the community of homeowners who live in the Manufactured Home Parks throughout the City of Oceanside.

OMHA supports organizations that have similar goals (such as GSMOL) to pass laws that benefit the homeowner.

Through shared knowledge of what is happening at the City and State levels, homeowners have a better understanding of the issues affecting our parks and the laws that govern us.

Here's what our Mayor has to say about OMHA:

"For years, OMHA, an ardent supporter of our Oceanside Mobile Home Rent Control Ordinance, has worked diligently and effectively in educating mobile home owners regarding their rights and responsibilities. I highly recommend that every Oceanside mobile home owner join!"

Esther Sanchez, Mayor of the City of Oceanside.
